Kitchen Stories

MOSAIK invites you to share a story from your kitchen.

We are looking for people living in Kreis 4, 7 or 9 with a migrant or post-migrant background.

WHAT ARE KITCHEN STORIES?

Kitchen Stories is a live-cooking gathering.

You cook together with someone dear to you, a family member or a friend, who lives in another country/abroad.

You meet online.

We meet here in Zurich.

Together, you cook, talk and share stories, with people on site and people joining online.

WHAT IS IT ABOUT?

Cooking is a way of meeting.

In every kitchen, we are sometimes guests and sometimes hosts.

These roles change, across places, cultures and lives.

Kitchen Stories is a space to explore this together.

To share memories, experiences and ways of living.
